EDUCATIONAL QUALIFICATION

B.Sc. in Software Engineering
Daffodil International University

2024 – 2028 (Expected)

- **Current Status:** 6th Semester student
- **Academic Performance:** CGPA 3.97 out of 4.00

Higher Secondary School Certificate (HSC)
Notre Dame College, Dhaka

2022

- **Group:** Science | **Academic Performance:** GPA 5.00 out of 5.00

Secondary School Certificate (SSC)
St. Gregory's High School

2020

Curriculum: English Version (Science Group) | Academic
Performance: GPA 5.00 out of 5.00

WORK EXPERIENCE

PROJECTS I HAVE WORKED WITH :

Hotel Management System

- Developed a Java-based hotel management application using OOP concepts.
- Implemented customer, room, reservation, and billing management.
- Used file handling for persistent data storage.

Restaurant Management System (Food Axis)

- Designed a complete restaurant operation management system.
- Created use case diagrams, SRS documentation, and functional modules.
- Implemented inventory, order, and employee management features.

Garage Service Management System

- Developed a C-based application for vehicle service management.
- Implemented customer records, billing, employee management, and reporting.
- Used file handling and modular programming techniques.

SKILLS

- **Programming Languages:** Java, C, C++, JavaScript, SQL
- **Web Development & Tools:** HTML5, CSS3, Git & GitHub, Microsoft Office Suite
- **Core Competencies:** Object-Oriented Programming (OOP), Data Structures & Algorithms (DSA), Software Architecture, Database Management Systems (DBMS)
- **Soft Skills:** Technical Presentation, Team Collaboration, Critical Thinking, Agile Mindset, Analytical Problem-Solving
- **Languages:** English (Professional Proficiency / English Version Background), Bengali (Native).
